

Vlastislav Červený

Student Prize

The Award of the best Master
and Bachelor thesis

in the area of the Applied Geophysics 2022/2023

Local Chapter EAGE Czech Republic announces the eleventh annual competition for the best Master and Bachelor thesis in the field of Applied Geophysics.

Prize for winner:

1 000 EUR for the winner of the Master thesis category,
600 EUR for the winner of the Bachelor thesis category,
Free EAGE membership for 2024

The competition is open to students in the Master's and Bachelor's degree programs at the universities who defend their thesis in the academic year 2022/ 2023. Thesis must be written in either English, Czech or Slovak language and defended **in the period of 5th October 2022 – 4th October 2023.**

The works will be assessed by an expert commission composed of at least 4 members (representative of LC EAGE, RWE Gas Storage CZ, MFF and Faculty of Science Charles University). Its decision is final.

Participation in this event does not create a legal right to win and the commission reserves the right not to award a prize to any theses.

Deadline for the applications

Friday 13th October 2023
